CALL FOR FELLOWS

The **Nthanda Foundation** and the **By Ntha Media** are officially launching this year (2020), and we are looking for fellows to work with us towards the success of this launch. At the end of the contract, and upon satisfactory performance, some fellows will be considered for full-time employment.

About Us

The *Nthanda Foundation* advocates for social/development progression through strategic communication, using creativity and innovation.

The *By Ntha Media* is a Creative Production and Publications Media/Communications Company, specialising in digital branding and storytelling.

The above stated organisations work in collaboration to produce 7 different media products, with a unified goal of informing policy and impacting change.

Our advocacy thematic areas under the *Nthanda Foundation* are, but not limited to: *girls and women empowerment, young people living with HIV/AIDS, differently abled people, Gender Based Violence, Sexual and Reproductive Health and Rights, LGBTQIA+ decriminalization and Mental Health.*

The dissemination of all our work at *By Ntha Media* is digital.

Who should apply?

Anyone looking in getting training/experience in advocacy skills, creative skills, digital skills, entrepreneurship skills, and event production.

Why should you be a fellow?

- Unique opportunity to make a contribution to digital advocacy in Malawi
- Get an insider's view on being part of the organising team of an event
- Gain useful job experience and satisfaction
- Meet like-minded people as well as the leading experts in the fields of advocacy, arts, and media
- Identify possibilities for personal skills development
- Strengthen your CV

In return for services, **By Ntha Media** gladly offers the following benefits:
